## **RULES OF EVENTS**

**MEN'S STOCK CHAINSAW:** A stock saw with a bar & chain will be furnished. A 4" cutting area marked from the end of the timber will be allowed. Each contestant must make 3 cuts: down, up, down. Any sawing over the 4" line will be disqualified. The judge will start contestant with saws running. Time will start on starter's signal. Time will end when the third piece is severed. Saws must be shut off immediately after cutting.

**WOMEN'S STOCK CHAINSAW:** Same rules as Men's Stock Chainsaw, except females only.

**STANDING BLOCK CHOP:** Competitors chip through a vertical standing log 12" in diameter. Contest is against time. Time will start when axe hits the wood and ends when block is severed. A slab will be a 5-second penalty.

**JACK & JILL SAWING:** Same rules as Two-Man Sawing except a male and female will be the team.

**JILL & JILL SAWING:** Same rules as Jack & Jill Sawing except the team will consist of two females.

**UNDERHAND CHOP:** Competitor chip through a horizontal log 12" in diameter. Cuts are made with the competitor standing on the log. Contest is against time. Time will start when axe hits wood and ends when block is severed. A slab will be a 5-second penalty.

**AXE THROWING:** A 3-foot square target. Contestants will stand 20 feet away. Scoring will be bull's eye: 3 points; white section: 2 points; and blue section: 1 point. Contestant with the highest score wins. Ties will be a throw-off.

**ONE-MAN BUCKING:** A single sawyer uses a one-man bucking saw to cut through a 16” diameter log. Free end of saw must be clear of any handle or weight. Starting cuts no more than a ½” deep to set the teeth of the saw, are allowed. Timing begins on the starter’s signal and ends when the block is severed. It must be a complete disc. Cut will be within 4” of the end of the log.

**WOMAN’S SINGLE BUCKING:** Same rules as One-Man Bucking, except a female sawyer.

**TWO-MAN BUCKING:** Two male sawyers working as a team use a cross-cut saw to cut through a 16” diameter log. No starting cuts. Timing begins on the starter’s signal and ends when the block is severed. It must be a complete disc. Cut will be within 4” from end of the log.

**MODIFIED CHAINSAW:** A single sawyer, using a one-cylinder, single motor power saw makes three vertical cuts: down, up, down on a 16” diameter log. Contestants will be given one minute to warm up their saw. Saw will then be shut off and placed on the ground. Hands will be placed on block. Contestant will start on starter’s signal. Each contestant will make three complete cuts within 6” marked from the end of the timber. Cuts will be made in this order: down, up, down. False starts will be disqualified. Manual starters only: the same saw cannot be used by more than one contestant. No motorcycle or go-cart engines.

**OPEN-MODIFIED CHAINSAW:** The rules are the same as for the Modified Chain Saw, except there are no restrictions on the engines.

**SPRINGBOARD:** Competitors notch a spar tree and insert springboards to use as foot supports. Contest is against time. Timing begins on go and ends when block is severed. Two springboards must be used. Log cannot be cut from one side only. Springboards may not be placed in holders cut previously. Slabbing rule will be in effect. Competitors will compete Saturday or Sunday, with best time to determine the winner.
